## **FULL-TIME FARM WORKER JOB DESCRIPTION**

### **Farm Summary:**

Naked Acre Farm is a small-scale, certified organic, diversified vegetable operation located in Hyde Park, VT. We grow on 5 acres and pride ourselves on a love of labor, the benefits from working outside in the soil, and enjoying delicious, fresh food. Our produce can be found in stores and restaurants throughout north central Vermont and through our CSA. We are seeking a full-time and a part-time employee for the 2023 season with hopes of working into the future for the right candidate.

### **Position Summary:**

Our ideal candidates will have some vegetable production experience and will be self-motivated and hard-working. The position will be involved in all aspects of the farm including harvest and wash/pack, greenhouse duties such as sowing seeds, potting up plants, and micro-greens production, planting and cultivating crops and will be familiar with the different systems and equipment on the farm. The preferred candidates will be able to work as part of a team and also independently in varying types of weather. A positive attitude, strength, speed, and a sense of humor absolutely necessary. We work hard and have lots of fun!

### **Primary Responsibilities:**

- Harvest Produce
- Wash/Pack Produce
- Produce quality control
- Seeding/Transplant Seedlings
- Weed Crops
- Propagation work in Greenhouse

### **Other Responsibilities:**

- Micro-greens production
- Pruning high tunnel crops
- High tunnel work
- Paper Pot Transplanting
- familiarity with farm equipment
- understanding of farm systems

### **Qualifications / Skills / Experience:**

- Prior farm work experience
- Positive Attitude!!
- Good communication + sense of humor
- Strong body: Ability to lift, carry, and stack totes and heavy stuff
- Extended periods of time outside in all weather

- Must be comfortable bending, climbing, or kneeling
- Ability to work independently and/or as a team to complete tasks
- Ability to take care of oneself with proper gear, attire, food, water etc.

**Wage and Benefits:**

Wages are commensurate with experience and performance on the farm. Starting pay is \$14-\$17/hour. Other benefits include weekly farm produce, working with fun, energetic growers, listening to amazing music in the wash/pack shed, learning about growing organic food. *Simple housing is available for the right person.*

**Type of Position:**

Full Time Seasonal: April to October/November. 40 hours/week. This position also has the potential for more hours over more of the year and possible managerial responsibilities for the right person. We are interested in creating a long-term relationship with the right person and compensation would increase with longer investment.
