TOMATO WORKER POSITION

Farm Summary:

Naked Acre Farm is a small-scale, certified organic, diversified vegetable operation located in Hyde Park, VT. We grow on 5 acres and pride ourselves on a love of labor, the benefits from working outside in the soil, and enjoying delicious, fresh food. Our produce can be found in stores and restaurants throughout north central Vermont and through our CSA. We are seeking a full-time and a part-time employee for the 2023 season with hopes of working into the future for the right candidate.

Position Summary:

Our ideal candidates will have some tomato production experience and will be self-motivated and hard-working. Main tasks will include pruning and trellising tomato plants, scouting for pests and disease issues, harvesting, and weeding in high tunnels. The position will work under the guidance and supervision of the farm owner and training and tools will be provided. The preferred candidates will be able to work as part of a team and mostly independently in a high tunnel environment. A positive attitude, strength, speed, and a sense of humor absolutely necessary. We work hard and have lots of fun!

Primary Responsibilities:

- pruning plants
- trellising plants
- scouting for pests and disease
- Weeding beds when necessary

Other Responsibilities:

- help with washing and packing
- harvesting
